SELECTION PROCESS:

Eight (8) men will be selected to participate in the inaugural Duluth Huskies Bachelorette Night. Male contestants will be randomly paired and given 30 seconds each to speak during a half inning break. The female contestant will choose one of the two male contestants, and the male contestant who receives a rose will advance to the next round. The "Final Four" will compete in a dizzy bat race to get down to the final pair. The Bachelorette will then ask a "final question", and each of the final two contestants will be given 30 seconds to respond.

DISCLAIMER:

Male contestants will be chosen based on their perceived compatibility to the Bachelorette based on responses to the questionnaire. Your chance of being selected is relative to the number of applicants. Only applicants who are between 21 and 26 years of age and have an application completed in full will be considered for the event.
