

## **Dock Spiders 2021 Plan**

**GENERAL STATEMENT** The guidelines and recommendations identified below represent practical best efforts to mitigate health risks for our fans, players and employees when attending events at Marian University's Herr-Baker Field for Dock Spiders games. The Dock Spiders are taking steps to provide a safe and enjoyable experience at the ballpark that minimizes the risk of exposure. However, anyone in attendance may be exposed to COVID-19 and all persons attending a game assume the risk of contracting COVID-19. For this reason, the Dock Spiders encourage all fans to consult with their health care provider to determine their individual risk associated with attending a game at the ballpark.

### **BALLPARK ARRIVAL**

- Fans are encouraged to check their temperature before the game. If a fan does not feel well or is running a fever, the Dock Spiders kindly ask that they do not attend the game.
- Fans are encouraged, but not required to bring and wear a face mask.
- Clear bags are encouraged for a contactless bag check experience.
- For ticket scanning, fans will hold out all tickets and a Dock Spiders employee will scan.
- Fans are encouraged to social distance when entering and exiting the ballpark.

### **TICKET PURCHASING/SEATING**

- The majority of the seating bowl will be available as regular seating. We do have specific sections reserved for social distanced seating. If interested, please call the ticket office at 920-907-9833 to get tickets in one of these areas.
- All ticket orders will be e-mailed to fans.

### **BALLPARK OPERATIONS**

- Hand sanitizer will be available to all fans at the front entrance and along all concourse areas. Sanitizer will also be available near concession stands and condiment stations
- Restrooms will be disinfected prior to the game and disinfected during the games as well.

### **GRANDE CHEESE KIDS ZONE**

- All inflatables in the Fun Zone will be sanitized prior to each game.
- High traffic areas such as entrances, handles and other commonly touched surfaces will be disinfected throughout the game.
